City Administrator Yow addressed Council regarding a grant offer from the FAA for the Orangeburg Municipal Airport for the Design of the Airport Main Apron Expansion. He stated, "The is for a \$170,000.00 project and it requires an \$8,500 local match and \$8,500.00 from the State. If State funding is not available, the City amount would total \$17,000.00. As you can see from the Capital Improvement Plan in 2020, we can apply again for discretionary money for the actual Apron Expansion. We received this grant notice on Monday and will return the executed documents this morning"

A motion was made by Councilmember Jernigan, seconded by Councilmember Knotts to authorize the City Administrator to accept the FAA Grant for the Design of the main apron expansion at the Orangeburg Municipal Airport. The motion was unanimously approved.

Hearing no other business, a motion was made by Councilmember Haire, seconded by Councilmember Knotts to adjourn the meeting. The motion was unanimously approved.

Respectfully Submitted,

Carrie W. Johnson  
Finance Director
